Assets and loan portfolio development

- Top 7 in terms of assets and top 5 in terms of equity in Russia – largest private bank
- Increase in total assets and loan portfolio in 1H 2010 is primarily driven by macroeconomic recovery after the global crisis and the ability of Alfa-Bank to attract new customers both in corporate and retail segments
- Total gross loans increased 1.2% in 1H 2010. While Alfa-Bank’s loan portfolio grew 3.1% from US$ 13.6 bn to US$ 14.1 bn, this was offset by a 15% reduction in ATB’s loan portfolio.

The largest sector in the loan portfolio, Construction, represents 13% of the total loan book (end-2009: 16%). Most of the construction sector financing consists of less risky commercial property (85% of construction portfolio) and infrastructure construction (5%), as compared to housing construction (10%).

Top 10 depositor concentration decreased from 30.0% at the end of 2009 to 27.5% at 1H 2010, the lowest level in recent years.

Loan concentration of top 10 borrowers remained stable (28.4% of total loans at the end of 2009 and 28.6% of total loans at 1H 2010).

Lending to related-party borrowers increased from 5.6% of total loans at the end of 2009 to 6.6% of total loans at 1H 2010 (including credit-related commitments).

Loan portfolio quality is improving

- Overdue loans started to decrease in 4Q 2009, and there has been significant progress made in 1H 2010

- As of 1H 2010, approximately 13.5% of the loan book had been restructured **

- Provisioning rate decreased by 0.6% together with significantly improved loan portfolio quality. The slight decrease is in line with Alfa-Bank’s conservative provisioning policy

High capital level maintained

- Capital adequacy ratio increased from 20.2% as of YE 2009 to 22.1% as of 1H 2010
- Significant increase of capital adequacy ratio in 2009-2010 was due to the following:
  - In January 2009 a subordinated loan from Vnesheconombank was attracted in the amount of approximately $294 mln which increased Tier 2 capital
  - Shareholder capital injection of $320 mln completed in June 2009
  - In October 2009 Vnesheconombank granted additional subordinated loans to Alfa-Bank of approximately $1 bn in total which further increased Tier 2 capital
- Effective from 25 August 2010 interest rates on subordinated loans from Vnesheconombank have been changed:
  - on the RUR 29.2 bn subordinated loan maturing in 2020 decreased from 9.5% p.a. to 7.5% p.a.
  - on the RUR 10.4 subordinated loan maturing in 2019 decreased from 8% p.a. to 6.5% p.a.
